

American Legion Post 56, Idaho Falls

Veterans Day Activities – 2021

The Idaho Falls American Legion Post 56 was very busy during the Veterans Day week. On Tuesday and Wednesday, 9 and 10 November 2021, Post members visited various schools planning and reviewing the program for that individual school and student body. Wednesday morning, an hour-long presentation was given to Woodland Hills Elementary Schools which included the background of Veterans Day, how to fold the American Flag, and prompting students to actually fold a flag as part of the assembly.

Wednesday evening a flag ceremony and Veterans Day talk was given at the Rocky Mountain Middle School for their Veterans Day Band Concert. Thursday, 11 November 2021, Veterans Day, Post members answered the call for 6 engagements for flag ceremonies and speeches, including: Water Springs School, Mountain View Elementary School, White pines Charter School, Thunder Ridge High School, Lincoln Court Retirement Community, and Rocky Mountain Middle School assembly. Our goal is to educate as many youths as we can about service.
