

# WE CARE FOR AMERICA'S HEROES!

At the Boise, Lewiston and Pocatello Veterans Homes our priority is the health and quality of life of our residents. Caring and professional staff provide a variety of programs and activities in a living environment that supports privacy, independence, comfort and security.

All three homes feature state-of-the art therapy rooms, activity centers, dining areas, gardens, a chapel, and comfortable rooms. We offer individualized physical, occupational and speech therapy programs and a wide range of recreational and social activities to keep our residents active, independent and involved. We welcome you to come tour the facility closest to you.

For information about facilities and admissions call:
